A Trip to the Zoo

My name is Jane. Last weekend I walked to the zoo with my parents and my brother. It was cold but sunny. There weren't any clouds in the sky. We saw lots of animals there. First, we looked at the giraffes. One of the giraffes looked at me, and I think it smiled! Then we went to see the monkeys. My favourite animal was a very long snake. It was beautiful, and I took a photo of it. My brother was afraid, but I wasn't. There's a café at the zoo, and we had lunch there. I ate a burger, and I drank some water. After that, we went to the shop. I bought a comic book about animals. There are lots of funny stories in it. We were very tired when we got home.
