Dear Mark,

I came back from my holiday two days ago. I had a great time. My family and I went to Austria for a skiing holiday. It was very cold and snowy.

We stayed in a small hotel in the mountains. It was really beautiful. We did a lot of different winter sports there. There was skiing, snowboarding and ice skating. We stayed there for a week. My parents went skiing with my sister but I enjoyed having lessons in all the different sports. I loved snowboarding. It was my favourite sport! You use a snowboard and surf on the snow. It was very exciting. I had a few small accidents, but I was OK because the snow was very soft. Dad made a video of me snowboarding. I can't wait to show it to you when I see you next month.

Love,

Lucy
